CANA

ABOUT OUR VENUE

Château Cana is a family owned and managed wine estate. It is the story of a man who converted a forgotten land into a vineyard at the very heart of Mount Lebanon, in a small village called Ras el Harf.

Perched atop the Lamartine Valley in Bhamdoun, Château Cana is the perfect space to celebrate your wedding day.

Surrounded by nature and its vineyards, the Château will make you feel at one with nature.

CEREMONY AREA

Our ceremony area faces the magnificent Vallée Lamartine from one side and a mountain of grey rocks that is more than a thousand years old. Your ceremony or welcome drink during sunset time will be nothing but memorable.
